

Notification for pesticide/herbicide/fertilizer use at MSD of Boone Township

(Revised: August 3, 2016)

I would like to be notified before specific pesticide/herbicide/fertilizer applications are made at this school (see below).

Notification need not be given for pesticide applications recognized by law that pose little or no known health risk of exposure to children or staff.

I understand that I will be notified after the original application, if the situation requires an additional application of these products. . I also understand that there will be no notification for any EPA exempt pesticides, herbicides, or fertilizers or bait and gel products, which pose no known health risks.
