## OUR MISSION:

The Hebron School Education Foundation, Inc. was established in December of 2016 for the purpose of providing a financial benefit to our students to enrich their educational experiences while at Hebron Schools.

## OUR BOARD:

Individuals making up our nine-member board were carefully selected based on their good character, commitment to Hebron schools and the Hebron community, their financial savvy, their ability to work well with others, their high energy/enthusiasm and their vision to improve opportunities for ALL students attending our Hebron Schools.

## ABOUT US:

Our foundations first donation was given to us by a former School Board Member and Hebron graduate Peter Blank and his wife Margie, who gave a generous amount to start an award that is to be given to the valedictorian of the Hebron High School each year. We gave that \$1,000.00 award for the first time in May of 2017 to Andrew Briggs. This was the first of many opportunities that we could grant to our students with the financial help from our community.

## OPPORTUNITIES ARE ENDLESS

With so many distinctive opportunities available, our students could be much closer to reaching their individual goals if we could afford to give them that extra boost that keeps them excited about learning and their future. The student's possibilities are limitless with the financial help from your generous contribution.

## MISSION STATEMENT:

Partnering with our community to provide a financial benefit to expand educational experiences for our students.
