

Fred Huettner

Building Trades Award

The Fred Huettner Building Trades Award Originated on Sunday, August 18, 2019 as the result of over 100 golfers participating in the first ever Fred Huettner Memorial Golf Outing at Sandy Pines Golf Club. Over \$7,000.00 was donated to the Hebron Schools Education Foundation as a way to keep Fred's Memory alive and to help expand the educational opportunities for all Hebron students for years to come.

Each year, following the Fred Huettner Memorial Golf Outing, two Building Trades Awards in the amount of \$500.00 each, honoring the achievements of Fred's career will be presented to two Hebron High School students in May during the Hebron High School Awards Night who are pursuing a career in the building trades. Students who complete and return an award application and are selected by the application review committee may choose to go directly into the workforce in any building trade, attend a trade school apprenticeship program, or pursue higher education in a building trades program. These awards will be presented at the Hebron High School Awards night in May of each school year through the Hebron Schools Education Foundation by the Huettner Family.
