NORTH WEST DISTRICT NURSES SCHOLARSHIP APPLICATION

The GFWC IFC Nurses Scholarship was created as a result of a shortage of nurses due to World War II, when women were enrolling in nursing schools as a way to show their patriotism. Members of GFWC/IFC saw the need to financially assist these women, thus the scholarship remains today.

On behalf of GFWC/IFC North West District, the Scholarship Committee encourages you to submit your completed application to your local GFWC/IFC club!

This application is open to any graduating High School Senior or Non-Traditional Student, whose plans include attending a college or university in pursuit of a Bachelor of Science Degree in an accredited Nursing Program. It is important for the student filling out this application to be very thorough and specific when answering the questions.

Requirements for a graduating senior are as follows: a written essay explaining why the student has chosen nursing as a career (student's signature required); provide a written recommendation from a Guidance Counselor/Teacher/Principal; provide a high school transcript; obtain the signature of the President of the sponsoring GFWC/IFC Club.

Requirements for a non-traditional student are the same as listed above; however, copies of records and/or grades from a previously attended school must be attached.

The application must be returned to the President of the sponsoring club no later than **March 1st of the current year.**

The information provided is a foundation for which the Scholarship Committee uses to determine the recipient of the scholarship. The winning entry will be notified by mail in May & is invited to be our guest at the North West District's Summer Recognition Luncheon. The scholarship award will be sent directly to the Bursar's office of the college/university to which the student has been admitted.

For additional information, contact your local high school Guidance Counselor or the local GFWC/IFC Club. All information provided on this application will be considered strictly confidential.
